

## Instructions for Making Bags of Kindness

The first and most important thing to do is sign-up using this link (or the sign-up sheet in church):

<https://stjohnthebaptist.churchsuite.com/events/tlq0102k>

The deadline to sign-up is: Sunday 3<sup>rd</sup> December

The deadline to bring your bag to church is: Sunday 10<sup>th</sup> December (they can be dropped off anytime before that)

There are three different types of bags that we are asking for this year (see further on for the contents of each):

- Bag for Primary School Age Children (Unisex) (Details on page 2)
- Bag for Female or male in Hostel (Aged 16-25) (Details on page 2)

**It is very important to check in the confirmation email you received as to which you have signed up for, before making a bag.** If you are not sure, please email:

[office@sjbchurch.co.uk](mailto:office@sjbchurch.co.uk)

After signing up **you will need to collect a bag from church that you can use to put everything in.** Everything else you will need to purchase.

**When bringing back your bag, please ensure it is labelled with who it is for.**

Below you will find the details of what needs to be put in each bag. Please note the prices are based off Home Bargains (St Georges Retail Park) but can be found elsewhere.

For consistency it is very important that as much as possible you stick to the exact items listed below or very similar.

To give you an idea the bags will look something like this when they are completed:

## Details of Bag for Primary Aged Children (unisex)
